### **Transfer of personal comments from the former &quot;Titeldatenbank&quot;;**

All users who have previously worked with our &quot;Titeldatenbank&quot; software and saved own comments on individual titles can import the comments into the new &quot;KlangKompass&quot; software.      **Requirements:**

&quot;Titeldatenbank&quot; is installed on your computer.

&quot;KlangKompass&quot; is installed on your computer. (No comments should be inserted here)

#### **Procedure:**

- Download and save the file [Kommentartransfer.zip](#) on your computer. (right click, &quot;Save Link As ...&quot;).
- Unzip the zip file in any directory.
- Start the contained program &quot;Kommentare auslesen&quot;; (it reads the comments from the old &quot;Titeldatenbank&quot;). Quit this program.
- Start the the program &quot;Kommentare eintragen&quot;; This writes the comments into the &quot;KlangKompass.

Now restart the &quot;KlangKompass&quot;. Your old comments are now displayed in the corresponding titles.
