The above stated natural or legal person receives the general right of use for all music titles of the above listed Highland Musikarchiv CD. The right of use is granted permanent for dubbing of films, videos, DVD, radio dramas, slide shows or multimedia productions. The right of use is granted for the below detailed utilisation and performance.

All world-wide rights of use and stage rights are granted by the author Joachim Lehberger as far as music is tied-up to one of the above listed media. Explicitly prohibited remains the commercial reproduction of Highland Musikarchiv music titles on sound storage media of any kind without the above stated combination of application. Vending of sound storage media including Highland Musikarchiv music titles remains the sole right of Highland Musikarchiv. Authorisation for application of the music in connection with websites requires the operator of the website to ensure that the possibility of separate loading and download of the music titles is made impossible by technical means. The holder of this document is entitled to grant derived rights of use to 3<sup>rd</sup> parties if this is done in context of granting the rights for the holders production to the 3<sup>rd</sup> party. The 3<sup>rd</sup> party is thus entitled to use the Highland Musikarchiv music titles included in the production of the 3<sup>rd</sup> party world wide. The derived right of use is limited to the original production of the holder of this document. In case of creation of a new derived production of a 3<sup>rd</sup> party using the Highland Musikarchiv music title(s) the 3<sup>rd</sup> party requires an own (additional) Release Document by Highland Musikarchiv. Rights of use, respectively terms of rights of use, granted by this Release Document explicitly do not cover the use of Highland Musikarchiv music titles for the purpose of and/or in the context of the following:

- a) Acts of criminal liable
- b) Acts of defamation and/or mitigation of natural or legal person
- c) Sole purpose of glorification of violence

Since the author according to German Copy Right Law (§ 15 et sqq. UrhG) owns the exclusive right to exploit his work in physical form and since he is not member of a collecting society no charges have to be paid for usage of the music titles to collecting societies if this document is presented. All rights of use and patent utilisation are performed by the author. Any private or public performance of films, videos, DVD, radio dramas or slide shows as well as application within a multimedia productions or website using Highland Musikarchiv music titles without the appropriate personalised Release Document signed by the author is prohibited.

**This document is strictly limited to the above stated recipient and not transferable to other natural or legal person.**

Fuldata,
